

Russell Woods
R.O.S.E. Garden Warrior
R.O.S.E. Garden Warrior

Meet Russell Woods a great enthusiastic community volunteer of the East Scarborough Storefront. Russell has been very instrumental in making R.O.S.E. garden a vibrant natural community habitat this year. Russell is primarily responsible for growing fresh produce for the food bank plots this year. He has planted tomato, squash, zucchini, carrots, cucumbers and many different herbs on 9 plots. On July 20th Russell delivered a basket full of fresh produce to our local food bank run by West Hill Community Services. This is great example of local residents taking ownership and leadership to build a strong community. Russell is also the third generation of his family to live and garden in West Hill.
